

NEW PRODUCTS SHOWCASE

at the 2018 Indiana Green Expo on January 15–17, 2018, in Indianapolis, IN

Unveil Your New Products. Help your target audience find your newest and best products. **Limited to the first twelve responses....FREE THIS YEAR!**

The Indiana Green Expo is pleased to promote at the 2018 Trade Show – the **NEW PRODUCTS SHOWCASE**. New products and services introduced to the U.S. Midwest market in 2017 or 2018 will be featured on the showcase stage, and at www.indianagreenexpo.com

Are you introducing a product or service that offers a new or unique advantage or characteristic, and is available for sale by the 2018 Trade Show?

If so, the IGE New Products Showcase is for you.

Want to be featured at the trade show?

Submit your application for the New Product Showcase to receive:

- Targeted visibility in the IGE trade show hall
- Gallery style display space for your new product (space is limited)
- The opportunity to show/promote your product on the demo stage
- Highlighted promotion at www.indianagreenexpo.com

Selection Criteria:

- Improves grower or industry practices or products
- Offers a new/unique advantage or characteristic
- New to the US/Midwest market in 2017 or 2018
- Available for sale by the 2018 IGE Trade Show
- No Charge
- Must be a paid in full 2018 IGE exhibitor
