TERMS & CONDITIONS (please read)

The New Product Showcase will be located in an area that creates maximum exposure for each item. Your product will be on display on a table or floor area. Please note that individual product location within the showcase is not guaranteed. Show management reserves the right to position products in a fashion that best serves the interest of showcase presentation and the show in general.

The display includes a 6'X6' space, an 8 1/2" x 11" sign indicating company name, booth number, new product name and a short description of the product if provided. Show Management does not provide electric power for entered products. If desired, it may be ordered through the official show service provider at the participant's expense.

Your product will be included in the official show guide distributed at the show and in a list of products and companies on a dedicated page of the official show website and Showbook if application is submitted by **December 17, 2023**.

All entries are final. Exhibitors are responsible for transporting the product to the show and retrieving the product upon the conclusion of the show. Depending on weight and size of product, placement arrangements will be the responsibility of the exhibitor.
